

We need your help

Have you ever felt a burden to participate in a missions trip? Maybe to help build a church, hospital, school or other such structure that you knew would be used by God for the spread of the Gospel?

Camp Cherith is a co-ed non-denominational Christian summer camp whose sole purpose is to provide a Christ centered, bible based outdoor program that results in the spiritual birth and growth of boys and girls between the ages of 7 and 17.

God has graciously provided Camp Cherith with property in Lanark County, just 60 minutes west of Ottawa. This beautiful wooded property is located on the scenic Clyde River. With the hard work and dedication of volunteers so much has been accomplished since we started building in 2009. We now have 10 sleeping cabins, 2 washhouses, new roads and so much more. We have run camp at our new location for 2 years and each year we have seen God's

Kingdom grow as many children commit themselves to Christ.

We continue to grow

As we get ready for another busy summer at camp we have 2 projects we will be working on. We are constructing a Picnic Pavilion as well as a steel quonset storage garage and we would like your help to build them.

Volunteers will experience working and fellowshiping with Christian believers from all around the Ottawa area and beyond. We hope you will find it a joy and a privilege to serve with fellow believers whose sole focus is to see the Gospel of Christ spread to the youth of the national Capital Region.

How you can help

This (missions) building project runs from May 13th, 2011 until May 23rd, 2011. We need people willing to help in the construction of our buildings as well as many other smaller projects. Volunteers are welcome to camp at the property or stay in one of our new cabins. We will provide the meals. So that we can be prepared, please let us know ahead when you will be coming.

Some of our jobs:

- construction
- site clearing
- painting
- cooking
- grounds maintenance

We hope to See you at Camp!
