

Camp Cherith Lanark – Prayer Chart

Name:

It is crucial, that each one of us is covered in prayer as we serve at Camp Cherith. Please have a name of someone who is committed to praying for you in each of the time slots below. You may only use the same name twice, and you may not use names of people who will be at Camp with you. A completed copy must be turned in before arriving at Camp. Once your chart is complete, make sure each person on your list knows when they are to be praying, as well as things they can specifically be praying for. Consider: creating a ‘online’ prayer team that you can report to throughout the week as prayer requests come up.
